## Featured Articles

### Accidents on Rural Roads: Legal Challenges and Strategies

Characterized by winding paths, limited visibility, and fewer motorists overall, rural roads pair scenic views with some unexpected risks. Information from the Governors Highway Safety Association paints a disconcerting picture.

### Peak Hurricane Season: Handling Power Outages, Traffic Signal Failures, and More

Peak hurricane season begins in August and runs all the way through October, "with 78% of the tropical storm days, 87% of the minor hurricane days, and 96% of the major hurricane days occurring then."
